

Monegasque Committee of the World Energy Council

Monaco, 25th June 2012

Dear Members,

It is a great pleasure and honour for me, in my capacity as Chairman of the Monegasque Committee of the World Energy Council, to invite you to Monaco for the WEC Executive Assembly to be held from 4th to 8th November 2012.

Monaco, in accordance with the wishes of its Prince, is developing an ambitious environmental and energy policy including the promotion of renewable energies and energy efficiency, as well as the development of clean mobility with a view to achieving carbon neutrality by the middle of the century.

The Monegasque Committee is therefore delighted to be hosting this international event of extreme importance for the life of WEC and the global energy community.

I look forward to welcoming you to Monaco in November.

Yours sincerely,

Bernard Fautrier
President
